OTHER WORK EXPERIENCE

ORDER PROCESSING SPECIALIST

Labels West | Woodinville, WA

- Coordinated with the sales department to obtain essential information such as financials, graphics, and shipping details. Utilized this data to generate accurate job tickets for printing production.
- Verified technical specifications for multiple printing processes to ensure smooth workflow.
- Managed procurement of cutting dies and embellishment tooling through collaboration with outside vendors.

SHIPPING MANAGER

Secord Printing | Kirkland, WA

- Successfully oversaw shipping operations of printed materials on a national and global scale for numerous clients, notably *Five Guys Enterprises, LLC*.
- Collaborated with nearby wholesalers to streamline the procurement process for shipping supplies and printing expendables.
- Operated digital press and provided assistance on printing production floor, as needed.

QA TEST ENGINEER

Allyis | Kirkland, WA

- Assessed system functionality and technical specifications.
- Implemented efficient coding standards and testing practices to optimize Microsoft SharePoint performance.
- Achieved consistent adherence to quality standards by implementing and refining testing procedures.
